

Dear JASPA member,

I would like to take this opportunity to personally invite you to join the JASPA Conference this March in Seattle.

It is always a pleasure to meet newcomers and renew relationships with old friends. I know you will find the conference topics are relevant and responsive to our particular institutions and the students we serve.

Seattle University is graciously hosting our Banquet this year. The art work you see on this brochure is part of their excellent collection housed in the Chapel. I hope you will have the time to visit with us in Seattle, enjoy the University and definitely view the art work.

Sincerely,

Ron Slepitz
JASPA President
