

Jesuit Association of Student Personnel Administrators

JASPA's Annual Spring Conference

Every Spring JASPA hosts its annual conference for Student Affairs administrators in the days before the annual NASPA (National Association of Student Personnel Administrators) conference. The event regularly includes a thorough daylong session, the traditional JASPA Banquet and Awards, and plenty of social opportunities to catch up with others in the field of Jesuit personnel work.

The JASPA Conference/Banquet Registration Form is available on the JASPA webpage ([link here](#)). Questions about registration, payment or process can be directed to Diane Cooper at dcooper@regis.edu.
